Committee's Report  
30 June 2025

The committee members present their report on Multicultural Centre for Women’s Health Inc for the financial year ended 30 June 2025.

Information on committee members

The names of each person who has been a committee member during the year and to the date of this report are:

Names	Position
Nisha Khot	Chairperson
Lucia Li	Treasurer
Agata Bober	Deputy Chairperson
Adele Murdolo	Chief Executive Officer
Sandra Lordanic	Committee Member
Penny Underwood	Committee Member
Tamara Kwarteng	Committee Member
Mercedes Colla (Resigned 21 November 2024)	Committee Member

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal activities

The principal activity of Multicultural Centre for Women's Health Inc during the financial year was:

MCWH is a national, community-based organisation which is led by and for women from immigrant and refugee backgrounds. The Association is committed to advancing the health and wellbeing of immigrant and refugee women, through leadership, education and advocacy: your experiences, your stories and your voices.

No significant changes in the nature of the Association's activity occurred during the financial year.

Operating results

The surplus of the Association amounted to \$371,157 (2024: \$52,759).

Review of operations

A review of the operations of the Association during the financial year and the results of those operations show that during the year, the Association continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Significant changes in state of affairs

There have been no significant changes in the state of affairs of the Association during the year.

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

Multicultural Centre for Women’s Health Inc

## **Multicultural Centre for Women's Health Inc**

REG. NO: A0023550R

### **Notes to the Financial Statements** **For the Year Ended 30 June 2025**

This financial report includes the financial statements and notes of the Multicultural Centre for Women's Health Inc ('the Association'), a incorporated association, which is incorporated in Victoria under the Associations Incorporation Reform Act 2012 (Vic).

The principal activities of the Association for the year ended 30 June 2025 was:

MCWH is a national, community-based organisation which is led by and for women from immigrant and refugee backgrounds. The Association is committed to advancing the health and wellbeing of immigrant and refugee women, through leadership, education and advocacy: your experiences, your stories and your voices.

The financial report was authorised for issue by the Members of the Committee on 16 October 2025.

#### **1 Basis of Preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards and the Australian Charities and Not for Profits Commission Act 2012 and the Associations Incorporation Reform Act 2012 (Victoria). The association is a not-for-profit association for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

#### **2 Summary of Material Accounting Policies**

##### **(a) Revenue and other income**

###### **Revenue from contracts with customers**

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

###### **Donations**

Donation income is recognised when the Association obtains control over the funds which is generally at the time of receipt.

###### **Other income**

Other income is recognised on an accruals basis when the Association is entitled to it.

Multicultural Centre for Women’s Health Inc

REG. NO: A0023550R

Notes to the Financial Statements  
For the Year Ended 30 June 2025

2 Summary of Material Accounting Policies (continued)

(b) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(c) Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

(d) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Depreciation

The depreciable amount of motor vehicles is depreciated using the straight-line method, while furniture and equipment are depreciated using the diminishing value method over their useful life, starting from the time the asset is ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the comprehensive income statement.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Motor Vehicles	33%
Office Equipment	18% - 40%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

## Multicultural Centre for Women's Health Inc

REG. NO: A0023550R

### Notes to the Financial Statements For the Year Ended 30 June 2025

#### 2 Summary of Material Accounting Policies (continued)

##### (e) Impairment of non-financial assets

At the end of each reporting period the Association determines whether there is evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

##### (f) Leases

At inception of a contract, the Association assesses whether a lease exists.

##### Lessee accounting

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

## Multicultural Centre for Women's Health Inc

REG. NO: A0023550R

### Notes to the Financial Statements For the Year Ended 30 June 2025

#### 2 Summary of Material Accounting Policies (continued)

##### (f) Leases (continued)

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

##### *Exceptions to lease accounting*

The Association has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Association recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

##### (g) Adoption of new and revised accounting standards

The Association has adopted all standards which became effective for the first time at 30 June 2025, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Association.

##### (h) New accounting standards for application in future periods

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Board of Committee Members have decided against early adoption of these Standards, but does not expect the adoption of these standards to have any impact on the reported position or performance of the Association.

#### 3 Critical Accounting Estimates and Judgments

Members of the Committee make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

##### **Impairment**

The Association assesses impairment at the end of each reporting period by evaluating conditions specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Long service leave provision	<b>18,844</b>	15,456
<b>Total non-current provisions</b>	<b>18,844</b>	15,456

Provision for employee benefits represents amounts accrued for annual leave and long service leave. The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the Association does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the Association does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The following amounts reflect leave which is not expected to be taken in the next 12 months.

## **Multicultural Centre for Women's Health Inc**

REG. NO: A0023550R

### **Notes to the Financial Statements** **For the Year Ended 30 June 2025**

#### **14 Financial Risk Management**

The Association is exposed to a variety of financial risks through its use of financial instruments.

The Association's overall risk management plan seeks to minimise potential adverse effects due to the unpredictability of financial markets.

The most significant financial risks to which the Association is exposed to are described below:

##### **Specific risks**

- Liquidity risk
- Credit risk
- Market risk - currency risk, interest rate risk and price risk

##### **Financial instruments used**

The principal categories of financial instrument used by the Association are:

- Trade receivables
- Cash at bank
- Bank overdraft
- Trade and other payables
- Lease liabilities

##### **Liquidity risk**

Liquidity risk arises from the Association's management of working capital and the finance charges and principal repayments on its debt instruments. It is the risk that the Association will encounter difficulty in meeting its financial obligations as they fall due.

The Association manages its liquidity needs by carefully monitoring scheduled debt servicing payments for long-term financial liabilities as well as cash-outflows due in day-to-day business.

##### **Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Association.

Credit risk arises from cash and cash equivalents, deposits with banks and financial institutions, as well as credit exposure to wholesale and retail customers, including outstanding receivables and committed transactions.

The credit risk for liquid funds and other short-term financial assets is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

**Multicultural Centre for Women's Health Inc**

REG. NO: A0023550R

**Notes to the Financial Statements**  
**For the Year Ended 30 June 2025****14 Financial Risk Management (continued)***Trade receivables*

Ongoing credit evaluation is performed on the financial condition of accounts receivable.

The Association has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

Management considers that all the financial assets that are not impaired for each of the reporting dates under review are of good credit quality, including those that are past due.

**Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

*(i) Foreign exchange risk*

The Association did not hold financial instruments other than AUD functional currency therefore, not exposed to any foreign exchange risk.

*(ii) Interest rate risk*

The Association is not exposed to any material interest rate risk.

**MULTICULTURAL CENTRE FOR WOMEN'S HEALTH INC**  
**ABN 48 188 616 970****INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**MULTICULTURAL CENTRE FOR WOMEN'S HEALTH INC****Report on the Audit of the Financial Report****Opinion**

We have audited the financial report of Multicultural Centre for Women's Health Inc (the Association), which comprises the statement of financial position as at 30 June 2025, the statement of comprehensive income statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of material accounting policies and other explanatory information, and the Members of the Committee Declaration on the annual statements giving a true and fair view of the financial position and performance of the Association.

In our opinion, the accompanying financial report gives a true and fair view of, the financial position of the Association as at 30 June 2025 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 2 to the financial statements and the requirements of the *Associations Incorporation Reform Act 2012* (Vic) and division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration, which has been given to the Members of the Committee, would be in the same terms if given to the Members as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of the Members of the Committee for the Financial Report**

The Members of the Committee are responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Reform Act 2012* (Vic) and division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Members of the Committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Members of the Committee are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Members of the Committee either intend to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

21

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Further information about our responsibilities can be found at <http://www.auasb.gov.au/Home.aspx>

We communicate with the Members of the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
